

Rocky Mountain Photo Booth LLC

Price List

Thank you for your interest. We are a family owned business not a franchise and have been personally hosting our photo booths since 2010. We were the first company in Colorado to have the FotoMaster magic mirror having acquired it in 2015 at its inception. It is the Cadillac of mirror booths. Our package has everything needed to personalize your photo booth experience be it a wedding, birthday party, corporate event, etc. You have your choice of our pedestal style modern booth or the unique magic mirror. The packages include travel within our service area from Boulder to Colorado Springs and nearby mountain communities. Events outside of this area can be accommodated but would have a travel surcharge to offset the additional time and cost.
